velvet

Superfici smaltate, progettate per creare ambienti bagno caratterizzati da un gusto corrente influenzato dalla moda e dal design. Velvet è una allegra collezione di materiali da rivestimento sviluppata in 4 colori e in 6 diverse tipologie decorative nel formato 25x50, ideali per ottenere rivestimenti a parete utilizzando il formato sia in verticale che in orizzontale. Alle decorazioni con interventi cromatici e floreali se ne affiancano altre con garbati effetti lucidi tono su tono, pensate per creare semplici ma vibranti pareti architettoniche. Al rivestimento Velvet, Senio consiglia e propone una coerente e resistente pavimentazione coordinata.

Glazed surface studied to create customized bathroom atmospheres in the most up to date trend of tasteful design. Velvet is a joyful collection of wall tiles in 4 colours and 6 different decorative patterns in the size 25x50, ideal for both vertical and horizontal installation, eventually combined. In addition to the chromatic and floral decors this collection includes other decors with characteristic mild glossy shade on shade lighting effects conceived to create simple and yet vibrating architectural atmospheres. To match Velvet wall tiles, Senio offers and recommends its coordinated and resistant floor tile collection.
