trapunta
la morbidezza della forma

La naturale tendenza ad arrotondare le forme, tracciata dal moderno design,
ispira la creazione di nuovi spazi più confortevoli
migliorando innanzitutto la qualità delle nostre sensazioni.
La nostra proposta è: **Trapunta.**

*The natural trend to round the forms of the modern design suggests
the creation of new, more comfortable spaces
that improve the quality of our feeling.
Our reply is: **Trapunta.***
